

# GROW YOUR BOTTOM LINE!

## Best Practices for Lowering Your Non-Dental Business Costs

Hosted By: Professional Dental Administrators of SNJ

Learn how to reduce your non-dental business expenses by over \$20,000 a year! What should you be looking for and what can you be proactively asking your vendors? Learn how you can build a cost reduction program for your own practice that will reduce your merchant processing, telecom, waste, facility supplies, uniforms and compressed gas expenses by an average of 28% a year!
