David started his career in sales working for Fortune 500 companies such as Microsoft and Corporate Express. During his tenure, he ranked in the top 10% earners, which led to his first opportunity at 25 to become the VP of Sales for a Microsoft startup called HCONN. This organization grew from zero revenue to over \$3 Million in just two years. This rapid growth resulted in David being awarded Microsoft's "North Central VP Award."

Heather Eblen-Calvert

**Marketing Coordinator and Insurance Specialist
@ Associated Plastic Surgeons in Leawood.**

Previously worked as a Stay-at Home Mom of two and PTO Volunteer Extraordinaire, National Accounts Administrator for a large Promotional Marketing Products and Apparel Company, and a Midwest Marketing Director/Talent Coordinator for a Public Relations firm out of Los Angeles.
